Government taxes and fees are not included and will apply. Bundled prices are available to residential customers only. Prices are valid with a one year commitment. With the one year commitment customers receive free installation. Long distance rates apply to continental USA (48 states) only. Rate after the initial 300 LD/ECC minutes is 7 cents per minute. A telephone line installation and connection charge may apply for new telephone service. Prices for digital TV includes one set top box unless otherwise specified. Additional set top boxes are available for \$4.95/month. Internet speeds may vary and are not guaranteed. Higher internet speeds may be available, please call for details. Service not available in all areas; please call our office for service availability in your area. Certain other restrictions may apply.
